## P&Z Commission Sets July 20th Hearing on Plan

Members of the Planning and Zoning commission have set a historic first public hearing on the preliminary general plan for the city for 8 p.m. Tuesday night, July 20.

Another — or others — will be scheduled later. Following P&Z consideration and hearings, the proposed plan will be studied by the City Council, which also will hold public hearings.

In other matters on June 22, the commission approved a request for varying side yards for a dwelling at 800 Hillside for Mr. and Mrs. William Roberts, denied a request by A. Rinna of 812 Key Route Blvd. to place two additional single family residences on his property, granted a request of Charles Ott Jr., to move a house from 412 Liberty in El Cerrito to 923 Stannage, approved landscaping plans submitted by Wells Fargo Bank and held over another 30 days a request by J. K. Pinkerton for a three-foot rear yard at 1123 Kains.

GEORGE BOUTZ of 810 Masonic has enlisted in the US Navy and is undergoing recruit training at San Diego.

**KENT PURSEL**, our friend on the Board of Supervisors, tells us the board appointed Carl Waters of Albany Legion post 22 an "honorary member" of the Albany Veterans building commission in recognition of his years of loyal and faithful service to the veterans of this area

## REV. CARL WILLIAMSON REPLACES FRIESEN AT ALBANY METHODIST

The Rev. Carl Williamson, his wife Loletta, and daughters, Naomi and Rhonda, were welcomed to Albany Methodist church at a coffee-time following the morning worship on Sunday, June 20.

They came from Orangevale, to take over the pulpit of Albany Methodist Church, recently vacated by the transfer of the Rev. Claude Friesen to Aptos, by action of the California-Nevada Conference of Methodist Churches in Stockton.

Prior to his three years at First Methodist Church of Orangevale, Reverend Williamson was at Lakewood Methodist, Denver, Colo.; before that, First Methodist Church at El Dorado, Ark. His divinity education was obtained at Hendrix College, and Perkins School of Theology at Southern Methodist University.

The Williamson family is entirely new to the San Francisco Bay Area. Albany wishes them a happy association with our community.

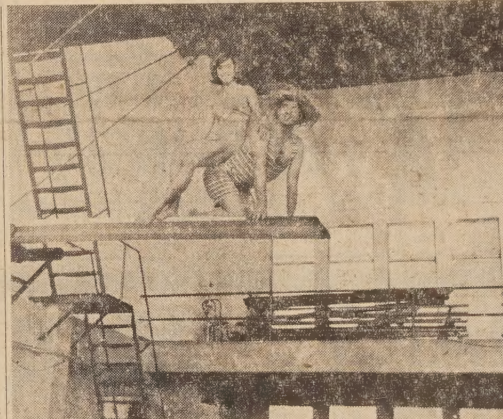

**JULY 5 FEATURE**—An annual high light for children at Albany's July 4th celebration is the Lion's club watermelon-eating contest. This year will be no exception. The contest will be held about noon Monday at the rear of the baseball diamond at Memorial Park. Albany Lions Allan Olson and Jake Rohrer are chairmen this year, have ordered 600 pounds of melon for the big contest.

## Volunteer Parking Attendants Needed

Chris van Eckhardt and Bill Davis, chairmen of parking for the July 5th fireworks at Golden Gate Fields, are looking for 12 volunteers to assist.

Those willing to work and who have flashlights are asked to call Chris at LA 6-7278 or Bill at LA 4-2710.

**FEATURED JULY 5**—Mary Ramos and Nationally Famous Comedy Diver Houston Moore are two members of the Athens Water Follies, which will be a feature of Albany's gigantic July 4th celebration at Memorial Park July 5. Their program will begin at 2:30 p.m. at Albany Pool.

## Full Day of Activities Topped Off With Fireworks

Memorial Park, Portland and Ramona, will again be the site of Albany's Annual Fourth of July celebration. This year all activities are scheduled for Monday, the 5th of July. Activities will get under way with the Flag Raising, and a baseball game featuring the Senior Division of Little League at 10 a.m.

Other activities scheduled throughout the day will include a watermelon eating contest for boys and girls age eight-12; sponsored and directed by the Albany Lions Club; children and adult participation contests which will consist of races, softball throw, egg catching contest, box races and other events.

Square dancing will be featured at the High School Auditorium beginning at 1:30 p.m. while the Horseshoe Pitching contest will get under way at the same time. Synchronized swimming will be

featured at the Albany Pool starting at 2:30 p.m. and will feature the nationally known Athens Water Follies Swim Team. They have just returned from the National Synchronized Swimming Match where they placed third in competition represented from practically every state in the union.

## COUNCIL

## \$1,113,413 City Budget Proposed; Consider 14-Cent Tax Increase

Administrative Officer James Turner Monday night presented to Albany City Councilmen a proposed \$1,113,413 budget for 1965-66 with a 14-cent tax increase.

The increase, if adopted, would raise the current \$1.95 tax rate (including 35 cents for schools) to \$2.09. Turner reported the increase would be sufficient to pay interest and bond principal on new city buildings for the fiscal year.

In his budget message, Turner noted that a primary consideration within the general fund would be the establishment of a pension program for non-uniformed employees. His proposals also include a two and a half per cent salary increase for uniformed employees.

Turner recommended a connection charge or sewer service

charge be established to finance evaluation of Albany's sewer system and to abate deficiencies.

He proposed adding three pieces of equipment, a paint stripper, sewer cleaning equipment and accounting equipment.

Turner noted Albany's accomplishments, asked Council to shift emphasis to the pension for non-uniformed employees, financing sanitary sewage facilities, improving street lighting in commercial areas and modern equipment for the fire department.

"Many of these items are within reach of accomplishment and through the adoption of a progressive budget, Albany can continue to provide a better service to the citizens of Albany without any increase in the tax rate beyond that required for the new facilities being constructed at San Pablo and Marin Avenues," he concluded.

Budget hearings begin tomorrow (Thursday) night. Council accepted the proposed budget for consideration.

## OTHER MATTERS

In other matters Monday night, Council authorized routine fund transfers at the end of the fiscal year; filed a communication from

City Attorney Larry Sader advising he is on vacation until July 17 and will be in town one day each week; referred to budget hearings a request from the Veterans Affairs commission for \$125; filed a letter from Cal Barbara of 1134 Stannage supporting the Lucky 13 Teen club;

Filed a letter from Police Chief Ralph Jensen concerning police pistol shooting behind Albany Hill; authorized a resolution designating Larry Stamper of 1021 Talbot as school crossing guard; filed a letter from UC President Clark Kerr regarding rental rate increases at University Village; requested the matter of the waddle on San Pablo be placed on the agenda for next week;

Referred to the city attorney a communication from the Industrial Accident commission regarding a \$300 settlement with Charles Searles, former animal control officer here; referred to the administrative officer for recommendation two communications concerning matters before the Public Utilities commission; referred to Chief Jensen a copy of an Assembly resolution relative to guarantees of "free press and free trial;" referred to the health officer and city engineer a communication from the cemetery board and filed a letter of thanks from post 292, American Legion, for the city flag.

## PUBLIC HEARING

Following a public hearing, Council followed the recommendation of the Planning and Zoning commission to deny a use permit to A. Rinna of 812 Key Route Blvd. to subdivide his property and move two additional houses there.

Councilman Richard Clark said motorcyclists are deteriorating the western slope of Albany Hill. In an effort to prevent this trespassing, Council referred the complaint to Chief Jensen.

Council will not meet next Monday night because of the holiday. The regular session will be held Tuesday night, July 6.

## Postal Holiday July 5 -- Kohler

Albany, Berkeley and Kensington Postmaster George B. Kohler announced that since Independence Day, July 4, falls on a Sunday this year, Monday, July 5, will be observed as a holiday by all post offices and postal installations.

No Carrier or window service will be provided July 5th, and mail will be collected on holiday schedules. Special delivery mail will be delivered,

boys off the street and out of trouble by selling candy. These boys have city license. Would you please buy a box of candy?"

Lindh would appreciate reports of suspicious incidents concerning young door-to-door salesmen. Call him at LA 5-7300.

tionally famous swimming stars. This show appeals to everyone — including families and children of all ages, for no higher class of entertainment for them could be found. The show is a musical revue on deck and in the water.

The Athens Water Follies has

## Building Activity Tops Million Dollars in '65

Building activity in Albany for the month of May, 1965, far exceeded that of the same month last year with permits totalling \$145,121. City Engineer James B. Turner has announced. Last May was \$32,327.

The total for the first five months of 1965 is \$1,314,717, almost a million dollars ahead of last year's \$372,427.

Milton Lent, Inc., is construct-

ing a 12-unit apartment for Michael Lewis at 1400 Solano at a permit cost of \$87,637. Custom Rolled Corrugated Metals company is building an addition at 536 Cleveland at a permit cost of \$30,000.

Other permits are for alterations, including 19 residential and two commercial, Turner said.

## KENSINGTON VOLUNTEERS PLANT 600 TREES

A large corps of Kensington volunteers spent a recent week-end planting 600 trees in the recreation area which is being developed on the hillside adjacent to the Kensington Youth Hut.

Mrs. John Otvos, chairman of landscaping for the Recreation Advisory Board of the Kensington Community Services District, purchased the seedling trees with funds from a grant shared equally by the Community Services District and the Kensington Community Council. The planting

locations were marked with stakes prepared by Lee Howard, following the Master Plan designed by Theodore Osmondson, landscape architect.

The varieties of trees planted according to the Master Plan include Crotch pines, Bishop pines, coast redwoods, Italian stone pines, and Japanese black pines. Adding color are white birch, liquid amber, ginkgo, and Chinese pistacho.

Volunteer tree planters were Paul Armstrong, Robert Arns, Jack Badley, Mr. and Mrs. A. B. Capron, Jack Carlson, Charles Carver, William Dauben, Keith Freeman, Carroll George, Walter Gillfillan, Gail Grodhaus, Horace Knight, Mr. and Mrs. Edwin Laplace, Mr. and Mrs. Fred Lefevre, Richard Maurer, Milton Moore, Alec Nichols, James Otvos, John Otvos, David Ralls, Jack Ralls, Mayer Segal, Jim Smith, Del

Snyder, Jerry Tintor, Larry Tintor, James Tipton, James Wellington, Peter Willey, Walter Willey, Bert Wilson, Mr. and Mrs. Herbert Worster, James Wysham, and Gordon Zane.

Mrs. Edwin Laplace, president of the Kensington Community Council, said that volunteer service of residents of the community is hastening the beautification of the Kensington recreation area, and added that volunteers may sign up now for work in construction of the outdoor amphitheater, the next community project. Arnold Lahti, contractor, said that the new

## Metropolitan Life Moves District Office to Solano

Company has announced their Berkeley District Office moves to a new location, 1742 Solano Avenue, effective July 6. The office was formerly located in the American Trust Building on Shattuck Avenue.

The new Metropolitan office, which serves the entire City of Albany as well as Berkeley, is on the southeast corner of Solano and Ensenada, formerly the site of the Red Barn Restaurant. The structure, built by J. Villa and Sons, Contractors from El Cerrito, represents a new concept in design for the Company's Dis-

trict Offices. It makes extensive use of prestressed concrete in a modern two-story building of a somewhat oriental style.

The lower floor of the building, which is open, will be used for parking for the District Staff.

The upper floor provides 5,500 square feet of offices, conference rooms, and work areas for Metropolitan's District Staff which consists of three unit Managers, 16 representatives, three Metropolitan Insurance consultants, and a clerical force of five. District Manager for the Berkeley Office is Daniel J. Gatti.

The large new office exemplifies Metropolitan's confidence in the continued growth of Albany and the North Berkeley area, as it provides sufficient space for expansion of the District Staff as the need arises.

## A Significance Beyond Merely What The Eye Can See

The church steeple, reaching toward heaven, has a religious significance which far outweighs its aesthetic value. Religious significance also is the most important aspect of the funeral service. We know this and we know the funeral customs and rites of all faiths, enabling us to cooperate with clergymen in providing a meaningful funeral for families of any denomination.

**WE HEAR** that people who have been waiting 18 or 19 years to buy diamonds or have rings remounted are swarming to the jewelry stores now that the excise tax has been removed. ## Girl Scouts Planning For Roundups

Girls from Albany High who will attend the international Cabana in Cuernavaca, Mexico, this summer are Ellen Danner, Nancie Kester, Judy Jacobson, and Wendy Polivka; adult chape-rones are Miss Karen Blank, Mrs. Ernest Bowman Kester, troop ad-visor, and Mrs. Thelma Vickland.

Attending the Girl Scout Na-tional Round-Up in Idaho this summer are Madeline Kelly, Pat Nelson, Sue Thomas of Albany Troop 2713, and Laura Bailey, Troop 1161.

After years of dreaming, plan-ning, fund-raising and careful preparation, the girls are eagerly tying the loose ends which will complete their preparations. They were required to earn half of their expenses themselves. To raise money, the girls collected tons of newspapers, crafted and sold rock jewelry, sold used items at rummage sales, conducted booths at Scout Festivals, spon-

sored musical plays, held car washes, made and sold dozens of Christmas wreaths, Girl Scout cookies and calendars, and one troop is still selling light b.b.s.

The Scouts wish to thank all the people, including the Albany Soroptimist Club, who so graciously have helped them in so many ways.

## Robert Campbell, Albany Safeway Manager, Leaves

Safeway Stores, Incorporated, today announced the promotion of Robert Campbell, presently manager of its Albany Store, to the position of San Francisco division, which serves the entire Northern California coastal area.

Campbell will be succeeded by Keith Duncan, 16-year veteran employee, who presently manages the firm's Grand Avenue, Oakland, unit.

Duncan was born in Ridgeway, Mo., and grew up in Bloomington, Ind. He graduated from the University of Indiana with a degree in Marketing. He started his Safeway career in 1949 as a food clerk in Berkeley. He served in several supervisory capacities prior to his appointment as Store Manager in 1953.

Campbell was born in Trinidad, Colorado, and attended schools in Grand Junction and Denver, before moving to Albany, where he was working in Marketing at the University of Colorado, at Boulder. He started his Safeway career as a part-time courtesy clerk in 1953 while attending High School in Denver. Following his service in the U. S. Army, he was appointed Assistant Manager, and in 1961 was appointed Store Manager in Safeway's Denver Division. He transferred to the Bay Area in 1963 and was appointed Manager of the new Albany store when it opened in February, 1964.

Both men are married and both live in Walnut Creek. Duncan and his wife, Constance, have four daughters — Deanna, Tina, Julie and Barbara, while Campbell and his wife, Catherine, have two daughters — Laurie and Cherie.

## Florence Harris Reports on UN Convention

Today the citizens of Albany can look back with pride for the part they played in making a beautiful event come true. The occasion was the twentieth anniversary of the signing of the United Nations Charter in the City of San Francisco. The program for the East Bay was held in the Greek Theater of the University of California Sat., June 26. The hosts were the universities and colleges in this area and the Citizens' Committee of the East Bay.

The Greek Theater was a perfect setting, and even the weatherman cooperated and gave us one of those perfect days in June that we read about but seldom experience. The people turned out en masse to meet and hear the distinguished guests on the speaker's platform. Among the guests who gave us inspiring messages about the United Nations as man's only hope for peace in this troubled world were: Carlos P. Romulo of the Philippines; U Thant, Secretary General of the United Nations, of Burma; and Alex Quaison-Sackey, President of the General Assembly of the United Nations, of Ghana.

The Citizens Committee of Albany is happy to report that the sum of \$165 was raised by popular subscription, better than a penny per population, which was the goal. The money was sent to the Citizens Committee of the East Bay which cooperated with the University in making this day a memorable one for us all.

Thank you, people of Albany, for supporting the efforts of the United Nations to keep us from the holocaust of another world war in this nuclear age.

Florence Harris, Secretary of the East Bay Committee.

## Security Officer Discusses Shoplifting

Charles Nordby, security officer for a chain of markets, made some interesting observations about shoplifters and employees who cheat their employers at the Monday noon luncheon meeting of Albany Chamber of Commerce.

Nordby said shoplifting costs the average merchant about one percent of his gross profit each year. The average shoplifter visits a store two and a half times each week, takes \$469 worth of merchandise. Many of those who shoplift can well afford to pay for the goods, he added.

The officer discussed ways employees cause internal losses to merchants.

A question and answer period followed his talk.

Vice President Joe Dagna presided.

## SENIOR CITIZENS

846 Masonia

On Tuesday, June 22, the lecture given by Mrs. Francis Herick, labeled Peruvian Pot Pourri, was well attended. She described her trip by plane, to Peru and her experiences while there. This was accompanied by pictures, artifacts and tapestries.

She spoke of her loneliness at Christmas time and her surprise on going to one of the many ornate churches to find not only the Nativity scene, but the entire city of Bethlehem arranged in detail, while little Indian children dressed in appropriate costume were singing Christmas songs. One of the many modern sights was a factory for drawing nitrogen from the air for fertilizer. The Inca Indians had a dignity and a culture all their own which they still retain to a certain degree, but, as it has been through out the years, they have been crowded to the background by their conquerors.

The next in this series of lectures will be on Tuesday, July

27, at 1:30 p.m., when Mrs. R. J. Christagau will discuss "The Pangs of Writing a Book," at the senior center. There is no charge and you do not need to be a member to attend. All seniors are welcome.

The business meeting will be Tuesday, July 6, at 1:30 p.m. At this time the officers will be installed, reports read and business for the coming months discussed. For further information call 526-1601.

### Pursel Reports UC Demonstrations

Total direct costs to the county for the U.C. demonstrations, as of June 25 — \$36,965.80. This figure could be increased considerably dependent upon the sentence that will be imposed by the court.

It should be noted that in addition to the above, the cost to the City of Oakland for providing police services at the October 2 demonstration at Sproul Hall and the "sit-in" of December 2 was \$13,682.76. At the same time costs to the City of Berkeley for these demonstrations was \$9,722.

Unfortunately, we can expect that we have not seen the end of these affairs.

**SOROPTIMISTS INSTALL** — Miss Helen Fake, Albany High School instructor, right, receives the congratulations of Mary Moser, left, chairman of the Soroptimist Foundation and past governor of the Southwestern region, and Outgoing President Bernice Boyd, center, following installation rites at Kirby's last Wednesday noon.

## Miss Helen Fake Installed By Albany Soroptimists

The Soroptimist Club of Albany has installed Miss Helen Fake, head counselor at Albany High school, as president for 1965-66. She succeeds Bernice Boyd, manager of Security Savings and Loan.

Other new officers include Myrtle J. McLean, vice president; Freda Hanelt, recording secretary; Althea Ippolito, corresponding secretary; Mary Smith, treasurer; Eleanor Saniuk and Irene White, directors for one year; Connie Atchley and Mrs. Boyd, directors for two years; Antoinette Stallone and Miriam Gilson, delegates, and Marie Farwell and Betty Lott, alternates.

Mary Moser of Nevada City, past governor of southwestern region and current chairman of the Soroptimist Foundation, was installing officer.

The luncheon was held at Kirby's last Wednesday noon.

## PRESS PREVIEW OF POLICE INFORMATION NETWORK

Representatives of the press were invited to the Alameda County administration building Monday to preview the new Police Information Network (PIN), which will begin operation in the Bay Area on July 1.

Initially, the IBM electronic computer complex will be used by Alameda County Sheriff Frank Madigan and the Oakland Police. It is expected that other cities in the county, including Albany, will be using it by the end of this year. San Francisco Police Chief Thomas Cahill expressed admiration for this important first in the United States and perhaps the world.

"This is a milestone to update law enforcement to protect the lives, property, rights and interests of the citizens," he said. San Francisco plans to use the system, which eventually will serve three and a half million people in nine Bay Area counties.

Here's how it works: when a police officer calls for information about a name or license number, his dispatcher types the inquiry on the terminal (resembling a large typewriter). As he whom he is dealing. A check of types, the inquiry races over

telephone lines and into the computer, which searches the millions of characters of information in the electronic file. Almost the instant the dispatcher stops typing, the answer will be printed out in front of him.

In less than two minutes from the time the police officer calls from his radio car, he will obtain a report on outstanding criminal or vehicle warrants and will know when he approaches the car the sort of person with this kind ordinarily takes 40 minutes.

The new system is expected to substantially reduce the 500,000 outstanding warrants representing bails and fines of over five million dollars.

Credit for the development of the centralized files goes to Chief Cahill, Chief E. M. Toothman of Oakland and Sheriff Madigan, who established a working committee of chiefs and sheriffs of the 35 largest departments in the Bay Area.

Of local interest is the fact that Councilman Joel Parker, an IBM executive, is now headquartered in Oakland supervising Alameda County's expensive data processing equipment.

## Gala Republican Picnic July 4; Davis Chairman

Five cent soft drinks, 15 cent hot dogs and 15 cent beer, plus other traditional 4th of July refreshments at "old-fashioned" prices will be the order of the day at Redwood Regional Park this Sunday.

The occasion is the Old-Fashioned Fourth of July Family Picnic and Celebration being sponsored jointly by the Republican Assemblies of Alameda, Albany, Berkeley, Castro Valley, Elmhurst, Fremont, Hayward, Livermore, Grand Lake, Oakland, North Berkeley and San Leandro, through their Coordinating Assembly.

According to Bill Davis, president of the Albany Republican Assembly and general chairman of the event, nearly 3,000 Republicans are expected to attend, spurred by the bargain prices and the promised "star-spangled" oratory of Dr. Max Rafferty, California Superintendent of Public Instruction, who is the guest speaker.

Admission to the picnic is free, and families are invited to bring their own lunches if they choose, but because of Regional Park regulations, refreshment tickets will not be available at the Park itself.

Instead, a booth will be set up in the parking lot of the Skyline Market, Redwood Road and Skyline Boulevard, which is on the way to the Park, and refreshment tickets will be available there.

The all-day affair will begin at 11 a.m., games and contests with valuable prizes to the winners at about noon, and Dr. Rafferty at about 3:30 p.m.

### Letters

Editor, the Times,

The Band, Orchestra and Choir of Albany High School wish to express their thanks to The Albany Times for all the publicity and news coverage that the paper has given their performances and operations during the 1964-65 academic year.

As publicity director of the school's music department, I have sent The Times regular reports on the musical events in Albany this year, and the paper has been exceptionally good about printing these.

I would especially like to thank Mrs. Dorothy Larimer, who has always cooperated with us in providing full coverage of the music department.

Thank you once again for your interest in Albany High School.

Sincerely,  
Greg deGiere

## Senior Division Scores

John Woody became the eventual winner for the Mets that took 2 days and 2 extra innings to complete, by beating the Colts 7-6. It was a close game all the way with four big hits, doubles by Colts Jeff Gray and Dale Carlton, triples by the Mets Mike Piasente and the winning three bagger by John Woody.

Saturday's game of Senior Division of Little League Baseball had the Phils beating the Redlegs 4-3 in a squeaker all the way.

Bill Haskins, the winning pitcher, struck out 11 batters and allowed 3 hits, 2 of the hits doubles by Bob Inserra and Brad Smith. Kevin O'Gorman was the losing pitcher giving up 5 hits and striking out 6 batters. Bill Haskins and Gerry Pleroni each collected a double.

Monday night had to be the game of the season. Bob Inserra pitched a no-hit shutout over the Mets—the first no-hitter in this league. Inserra struck out 17 bat-

ters in this heroic effort that took 8 long innings to determine a winner. The heart-breaking loss went to Mike Piasente who pitched a three hitter and struck out 9 batters. Brad Smith got three hits for the Redlegs.

Wednesday night's game had Jim Brodie bringing home a winner for the Colts, in a 4-3 ball game. Brodie gave up 7 hits and struck out 12 batters. Jeff Gray slammed a triple and Steve Layne doubled up the middle for two of the three hits off of Bill Haskins, who was the loser for the Phils. Haskins struck out 9
